Benjamin Augustus Young, life-long Coffee County citizen, and for many years a resident of Elba, died at his home Tuesday morning at 10:30 o'clock after a long period of illness following a stroke of paralysis.  Gus Young was widely known in this section of the county and possessed a congenial and friendly nature that had made countless friends for him, who are deeply grieved at his passing. He was born November 19, 1887, and was a son of the late Jim C. and Mrs. Florence Young.  Surviving are his wife, Mrs. Minnie Young; one daughter, Mrs. Willard Powell; four sons: Otha, Ned, Augustus and James William Young; two sisters: Mrs. Maggie Wise and Mrs. Morgan Windham; five brothers: L. Elba's Baptist Church was the scene of a beautiful and impressive ceremony on Sunday, October 20, in the late afternoon when I'Belle Whitman, daugitter of Mr. and Mrs. James D. Whitman, and William Albert Oggs, son of Mr. and Mrs. J. R. Oggs, Sr., of Birmingham, were united in marriage at a double ring service, performed by Rev. O. M. Fox, pastor of the church.  Decorations were on the two floor levels and made a beautiful setting for the bridal party, silhouetting arrangements of white silver-sheen chrysanthemums, dahlias, gladioli and greenery in the glow of candle light. The altar background was in triangle shape, banked with ferns, palms and Southern smilax, and held for its central decoration a large basket of white Chieftain chrysanthemums, combined with asters, spikes of snowy gladioli and fern. Washington, Oct. 19—The Federal Works Agency says Alabams should have 75 new Federal buildings costing an estimated \$16,400,000.  Of the total, 74 of the recommended buildings are postoffice or combination postoffice and agricultural or courthouse buildings.  They are on a list submitted to Congress by the Federal Works Agency. The final decision of which shall be constructed and how much they shall cost is up to Congress.  No new postoffices or similar structures have been built since 1940, whereas up to that time the program usually called for one new postoffice a year in each congressional district. This program used to cost from \$65,000,000 to \$70,000,000 a year but the agency estimates that up to \$200,000,000,000 annually will be	The F. H. III. A Missionary Conference (Acts 14:26, 27).

Nothing stimulates missionary giving, and praying, and going in a local church like a live inissionary conference, where those who have been on the field come back and tell what the Lord has done as they went out to serve him.

It is good to know that what the Lord led men out to do has been fulfilled. That completes the circle of divine guidance and blessing, and strongly encourages us to go again—and others to go for the first time—to do missionary work for God.

The church which does not have such an annual missionary conference misses a blessing and service. No pastor or church can afford to miss such an open door for the working of the Holy Spirit of God.
